

Dear Home Owner,

Congratulations on the purchase of your new home!

Your brand new quality appliances have been proudly supplied by Trail Appliances. We hope your new appliances will be a part of your home for many years to come. Most appliances come with a one-year manufacturer's warranty, please confirm with your use and care guide for full details.

We wish you all the best in your new home,

Jayon Broderick
Trail Appliances CEO

Optional Product Protection Plan

Protection Plan Gold

At Trail Appliances you'll find a wide selection of products to meet your needs - but even well-known brands can succumb to the rigours of everyday use, so we offer product protection plans for your peace of mind.

Trail Appliances has partnered with Comerco to provide our customers with the best **Product Protection Plan** available on the Canadian market. This plan will **protect you against the expensive and sometimes recurring costs of repairs and assure you that your products will operate up to the manufacturer's specifications.**

From refrigerators to washers, you can relax knowing your product is covered even after the manufacturer's warranty runs out.

Protection Plan Gold Privileges*

*See terms and conditions for details

- No-lemon warranty*
- Preventive Inspection
- Protection against power surges
- No deductible
- Transferable from one owner to the next without charge
- Parts & labour coverage up to 4 additional years
- Protection against frozen food losses
- Service available throughout North America
- Repaired to the manufacturer's specifications
- Guaranteed by an insurance company
- Knob replacement and more!

For more information about our Product Protection Plan please talk to one of our Builder Sales Representatives or visit trailappliances.com/product-protection-plan

Please Note: Your new appliances come with a one-year manufacturer's warranty against defects in materials or workmanship, unless otherwise specified in your product manuals.

The manufacturer's warranty for the appliances in your unit starts on the original possession date for your unit and is subject to limitations as set out in the product manual. If your manufacturer's warranty has expired, the service call will be subject to a trip charge & any other applicable charges required to repair your appliance.

If your appliance is under the manufacturer's warranty, but the service call is determined to be customer education, a trip charge will be applicable. To avoid this, please read your use & care manual thoroughly prior to requesting service.
